

Guildford ANZACs Walk Trail

The ANZAC walk trail is a self guided walk for all ages in the historic town of Guildford, one of WA's earliest towns of settlement and located close to cafes, parks, restaurants and museums.

It has been proudly developed by the Guildford Association Inc.

How to get there:

The Historic town of Guildford is located 13 kms from Perth City centre and is located on the **Midland rail line** or can be reached on the **No 336 bus** from Perth.

The Guildford Anzacs website and interactive Poppy Walk Trail can be accessed on website **www.guildfordanzacs.org.au**. The walk trail is located in the historic town of Guildford,

This project was undertaken by the Guildford Association Inc. as a and funded with a Local Area Grant through the Department of Veterans Affairs.

The Association acknowledges and thanks the many people who have contributed, in particular Spring Web design for the website, Stephanie Holmes for graphic art work and poppy plaques and Andrew Holmes for IT support.
